Elite® Series HPX12 Heat Pump

Innovation never felt so good.™

Efficient design can result in significant energy savings

Dependable Copeland Scroll™ Compressor enhances comfort

Ozone-responsible R410A meets the EPA's (Environmental Protection Agency) most stringent environmental guidelines

Simple design with fewer moving parts ensures high reliability

ENERGY STAR®-qualified

The HPX12 heat pump proves that home comfort and environmental responsibility can go hand in hand. Engineered with the new, chlorine-free R410A refrigerant, the HPX12 provides exceptional comfort without exacting a costly environmental toll. This refrigerant is recognized by the EPA, which means it's ozone- and climate-responsible.

THE IDEAL CHOICE FOR YOUR HOME ENVIRONMENT AND GLOBAL ENVIRONMENT.

Designed to deliver more comfort for your energy dollar, the HPX12 has efficiency ratings of up to 14.00 SEER and 8.30 HSPF. At the heart of the system is a Copeland Scroll Compressor, which provides smooth, efficient and reliable operation.

EFFICIENCY RATING

Up to **14.00 SEER** (Seasonal Energy Efficiency Ratio) and **8.30 HSPF** (Heating Season Performance Factor).

WARRANTY

10-year limited warranty on the compressor.

5-year limited warranty on all remaining covered components.

3-YEAR COOLING SAVINGS

This chart compares the 3-year savings you can expect from an HPX12 heat pump, vs. units with lower efficiency ratings. Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle.

Source: U.S. Department of Energy national average energy rates.

INNOVATIVE FEATURES FOR ENHANCED COMFORT AND EFFICIENCY

Precision-Balanced, Direct-Drive Fan –

Design delivers quiet operation.

High-Efficiency Outdoor Coil –

Provides exceptional heat transfer and low air resistance for high-efficiency operation.

Dependable Copeland Scroll™ Compressor –

Helps precisely control air temperature for greater comfort.

Durable, Corrosion-Resistant Cabinet –

Constructed of heavy-gauge, galvanized steel and protected by a baked-on finish.

Enhanced Coil Guard –

Assures long-lasting coil protection with heavy-gauge steel construction and noncorrosive PVC coating.

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice. Warranties noted apply to residential applications only and are limited. Please see actual warranty for details.

Many Lennox® home comfort systems meet ENERGY STAR® requirements when used with appropriate components. Ask your dealer for details.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

Certification applies only when used with proper components as listed with ARI

CONTINUOUS COMFORT NETWORK

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your heating, cooling and indoor air quality needs is every bit as important as choosing the right brand. We think you'll agree our dealers are a big reason you can count on quality customer service when you call.
