Home Comfort Systems

HP26

High-efficiency, high-quality cooling and heating

Elite® Series HP26 Heat Pump

Lennox makes your HOME... A BETTER Place.®

Dependable Copeland Scroll™ Compressor precisely controls air temperature for greater comfort

High-efficiency heating and cooling mean year-round energy savings

Simple design with fewer moving parts translate to higher reliability

ENERGY STAR®-qualified

The HP26 heat pump offers year-round energy savings with a Copeland Scroll™ Compressor, which operates more smoothly and efficiently than conventional compressors. The Copeland Scroll Compressor also better regulates temperature within your home, which means a greater capacity to keep you comfortable.

EXCEPTIONAL, YEAR-ROUND ENERGY SAVINGS AND COMFORT

With its high-efficiency performance and dependable Copeland Scroll Compressor, the HP26 heat pump delivers exceptional comfort and value. It keeps your costs down and your home comfortable, even during extreme weather in summer and winter. And with its insulated compressor compartment and precision-balanced, direct-drive fan, the HP26 is so quiet you'll hardly know it's on.

Compared to an older heat pump, the HP26 heat pump can save you hundreds of dollars each year.

The HP26 heat pump provides cooling efficiencies of up to 14.70 SEER and heating efficiencies of up to 8.85 HSPF. The higher the efficiency rating, the higher your energy savings. In the case of the HP26 heat pump, those savings can translate to hundreds of dollars each year.

EFFICIENCY RATING

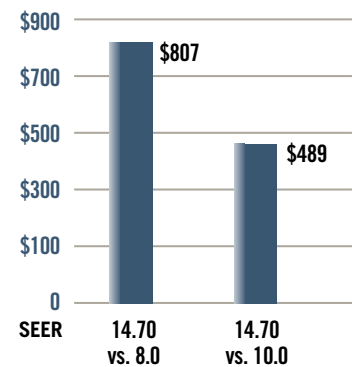

Up to 14.70 SEER (Seasonal Energy Efficiency Ratio) and 8.85 HSPF (Heating Seasonal Performance Factor)

WARRANTY

10-year limited warranty on compressor.

5-year limited warranty on covered components.

3-YEAR ENERGY SAVINGS

14.70 SEER HP26 heat pump, compared to older, less efficient units

This chart compares the 3-year savings you can expect from an HP26 heat pump, versus units with lower efficiency ratings. Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle. Source: U.S. Department of Energy national average energy rates.

RELIABLE, HIGH-EFFICIENCY COMPONENTS

Precision-Balanced, Direct-Drive Fan –

Delivers ultraquiet operation with a patent-pending fan design

Sound-Dampening Materials –

Minimize operating sounds and vibration

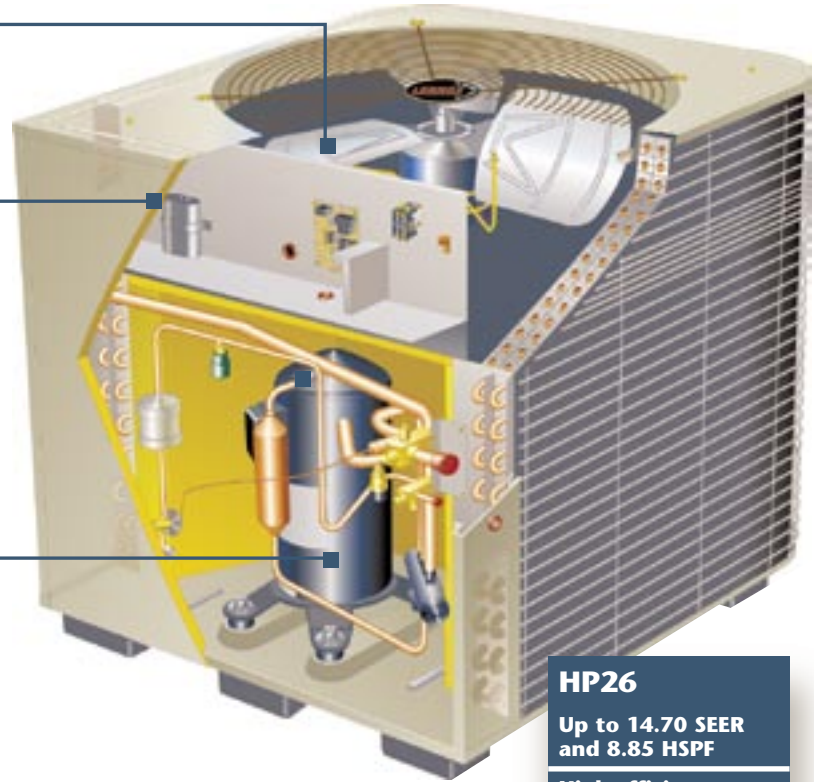

Dependable Copeland Scroll™

Compressor – Precisely controls air temperature for greater comfort

Efficiency Ratings of up to 14.70 SEER and 8.85 HSPF – Can save you hundreds of dollars a year, compared to a standard heat pump

ENERGY STAR®-qualified – Meets or exceeds EPA guidelines for energy efficiency

Simple, Streamlined Design – Fewer moving parts means higher reliability

HP26

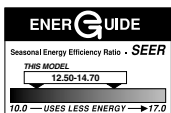

Up to 14.70 SEER and 8.85 HSPF

High-efficiency, high-quality heating and cooling

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice. Warranties noted apply to residential applications only and are limited. Please see actual warranty for details.

Many Lennox home comfort systems meet ENERGY STAR® requirements when used with appropriate components. Ask your dealer for details.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

Certification applies only when used with proper components as listed with ARI

- 1 Air conditioner or heat pump
- 2 Thermostat
- 3 Furnace or air handler
- 4 Filtration device
- 5 Germicidal light
- 6 Indoor coil
- 7 Humidifier
- 8 HEPA bypass filtration system
- 9 Energy recovery ventilator
- 10 Supply duct
- 11 Return duct

TOTAL LENNOX COMFORT

Lennox® heating, cooling and air quality products are designed to deliver comfort efficiently and economically—not only as individual products, but also as a system solution. Installed together, Lennox products deliver on every comfort count: quiet operation, even temperatures, balanced humidity, consistent airflow and healthier air quality.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your heating, cooling and indoor air quality needs is every bit as important as choosing the right brand. We think you'll agree that our dealers are a big reason why you can count on getting quality customer service when you call.
